I'm all about collaboration, forming friendships to better facilitate synergy between my coworkers, and high quality work. A former journalist, I'm eager to branch into the technical side of life as a web developer.

Technical Skills

Languages

- HTML & CSS, JavaScript, SLIM, Ruby, SQL, PostgreSQL, MySQL, AJAX, JSON, API Integration

Libraries/Frameworks

- Rails, Sinatra, rSpec, jQuery, D3.js, underscore.js, backbone.js, Handlebars, Sass, Foundation, Bootstrap, Wordpress

Management / Deployment

- Git, Github, Heroku, Pivotal Tracker

Methodologies

- REST, MVC, TDD, OOP, Agile

Education

General Assembly, Washington, DC

Full-Time Web Development Immersive

Full-stack web development program focused on common best practices in object-oriented programming, MVC frameworks, data modeling, and test-driven development. Developed a portfolio of individually focused and collaboratively focused projects.

George Mason University, Fairfax, VA

B.A. Communications for Public Relations

Part-Time student learning fundamentals and advanced communication theories, including best practices in business environments, planning strategies, interpersonal relations, crisis management and journalism.

Work Experience

General Assembly, Washington, DC, March, 2015 - Present

Teaching Assistant

Assist in the curriculum design, administration, teaching and grading for the Front End Web Developer (FEWD) class hosted at General Assembly. Duties include mentoring, content creation, and teaching extra-curricular information pertaining to Git, Github, and Heroku.

Transit Labs, Washington, DC, January, 2015 - March, 2015

Front End Developer

Redesign corporate site in adherence to design team mockups, WordPress styling, Data Visualization (Highcharts / D3), and rapidly deploy data-vis projects as requested by Communications Director.

Enterprise, Dulles, VA, May 2013 - July 2014

Management Trainee

Managed a team of five towards increasingly high sales revenue goals, reduced costs by an aggregate of 80% across multiple quarters, maintained high customer satisfaction metrics with a 90% average ESQi rating, developed aggressive sales and marketing campaigns and strategies.
